Docket No. 98N-1265

Food and Drug Administration

5600 Fishers Lane

Rockville, MD. 20857

MAR 23 10 52

I OPPOSE THE DRAFT M.O.U. being proposed by the FDA. In particular, I OBJECT to the definition of "inordinate amount" which restricts the availability and the right to obtain medically necessary compounded medications by limiting the number of prescriptions that can be shipped across state lines from specialized compounding pharmacies.

COMMENTS: I have been taking HRT
for about 20 years and what
I take now from Madison Pharmacy
is the only one that keeps my
breast from hurting very badly
I will not change. I will manage
to get this medication, if I have to
drive to Wisconsin from Missouri to do it
